Services Kanye West, "Power" Grammy Award Nominated Producer, S1, Enlists Cathryn Marie of Jet-Setter Image For Public Relations

Monday, October 3, 2011 (California, Texas) – Jet-Setter Image today announces the signing of its newest client, **Larry Griffin Jr** of Soul Kontrollaz, Inc OR SKP INC. Hip-Hop Producer **Symbolc One ("S1")** will retain Jet-Setter Image to provide Public Relation services, where he & his brand joins Atlantic Records recording Artist, **Daniel "Diggy" Simmons, Kenny Carroll** of Tik Watches and Detective/Sergeant **Luddie Austin** of A & E TV's Manhunters: Fugitive Task Force.

To date, S1's most known produced track is **Kanye West's**, "Power" off of Kanye's "My Beautiful Dark Twisted Fantasy" in 2010 – a track he co-produced with Kanye; the two were nominated for a Grammy for the chart topping single. Most recently, he scored it big with the co-production creation of **Beyonce's**, "Best Thing I Never Had" on her "4" album, followed by the production credit on **Jay Z's & Kanye West's**, "Watch The Throne" album with "Murder to Excellence".

S1's production style ranges from R & B, Soul, Underground Hip-Hop, Pop & all in between. His affiliation to the music industry is supported not only by the tracks he has produced for mega-artists, but also the Co-Publishing Deal he has landed with Jay Z's Roc Nation, as well as his Non-Exclusive Producer deal with Kanye West and his Very GOOD Beats Company. Previous work with **Erykah Badu, Ghost Face, Little Brother, Stat Quo** & others has prepared him for the projects he is currently a part of. S1's music is expected to be heard on the albums of **50 Cent, Diggy Simmons, Willow Smith, Rihanna, Xzhibit, Rhyme Fest** and **Talib Kweli's** "Prisoner of Conscious". Albums just released featuring S1 productions are, **Strange Fruit Project's**, "A Dreamers Journey" and **Phonte's**, "Charity Starts at Home" – "Gonna Be a Beautiful Night" featuring **Carlitta Durand**.

Jet-Setter Image

Jet-Setter Image's goal to contribute to S1's campaign and making him an even larger household name by introducing him to new consumers, new projects and new brands that fit his targeted audience is inevitable.
